residence on Robert the Seventh and Eighth wards asking that the park at or near Chero's Saloon on Robertson Hill in the Seventh ward, used and occupied by certain colored people as a place of recreation, and known as the "colored park", be condemned and abated as a nuisance. The petition states that on various occasions such colored persons have made loud and unusual noises during the night; that they generally commence their entertainments at about 8 or 9 o'clock and close about 1 o'clock, and are so boisterous and noisy before dispersing and afterwards that the citizens in the neighborhood and along the street mostly traveled by these people in returning to their homes (East Eleventh street) are greatly disturbed and annoyed and it has become so frequent and intense that the council is requested to grant relief that they usually consume about an hour to two or three hours in passing, often passing ^{as late as} 8 o'clock in the morning and in passing by your petitioner's homes they, without exception make the night hideous by their cursing, yelling and general boisterous conduct.

Each special policeman so appointed shall receive a sum equivalent to \$75 per month for the actual time he serves as such special policeman.
